

Art for the Primary Challenge Curriculum Pathway

Wilson Stuart School

A Special Academy

Rationale:

Through the Primary Pathway, we aim to ensure that:

Students explore all types of art to express themselves using a range of media. Traditional methods and art types and processes. Digital art applications can be used as part of this process to encourage a range of independence in work and building confidence.

Art Curriculum for Primary Challenge Pathway

Intent	Implementation	Impact
<p>The curriculum that is offered through the Primary Challenge Pathway:</p> <p>KS1&2 National curriculum "... inspire and challenge students, equipping them with the knowledge and skills to experiment, invent and create their own works of art, craft and design..."</p> <ul style="list-style-type: none"> • To allow students to explore art processes and have enjoyment exploring art through play and experimentation. • To record the art 'journey' and experimentation using digital means. • To develop resilience and curiosity to find a new skills and sense of adventure. 	<p>We achieve our intentions by:</p> <ul style="list-style-type: none"> • Exploring different art processes and allowing students to think creatively. • Introducing a range of traditional and contemporary artists. • Providing opportunities for collaborate on bigger work projects. 	<p>The impact of the Primary Pathway provision is demonstrated through the development of students who are:</p> <ul style="list-style-type: none"> • Able to understand how arts can be a mindfulness activity and beneficial in expressing self. • Able to develop confidence in presenting work and proud to share and talk about with others. • Making progress in the embedded objectives: • Generating Ideas: The skills of designing and developing ideas. • Making: The skills of making art, craft and design. • Evaluating: The skills of judgement and evaluation.
