Overview

2024-2025

# Wilson Stuart EYFS Pathway

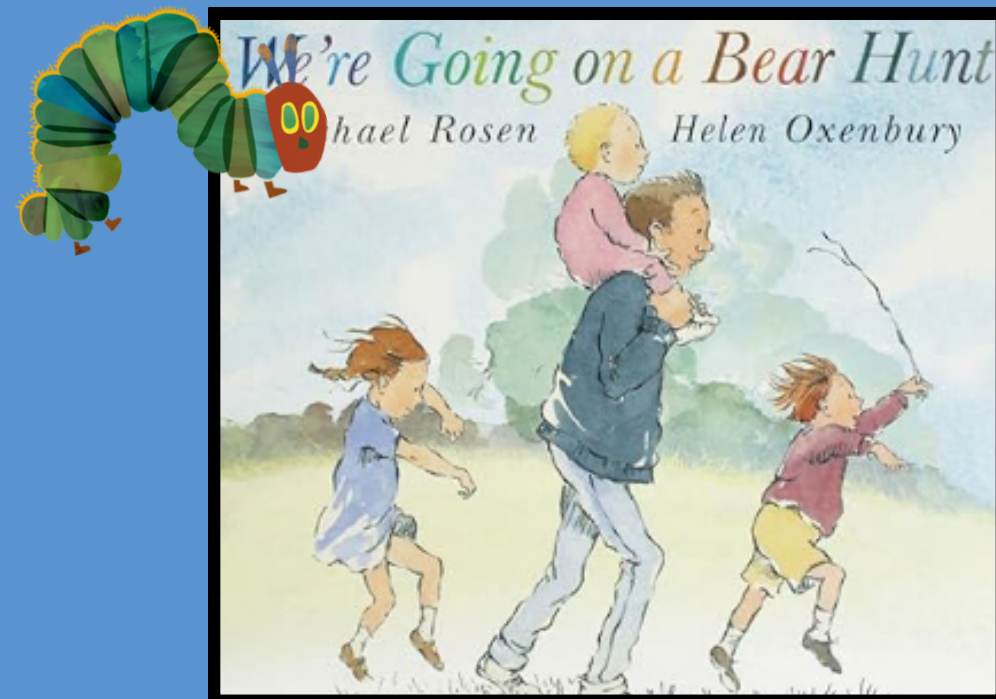

## Autumn 1

A well developed love of reading is a indicator of future success. For our children, whose early experiences are often inhibited due to their disabilities, this raises the importance of reading. We offer opportunities to be exposed to vocabulary rich; sensory experiences; high quality stories promoting communication development. This is enhanced by a variety of linked experiences to support real world understanding and deepen knowledge further.

### Focus Story 1

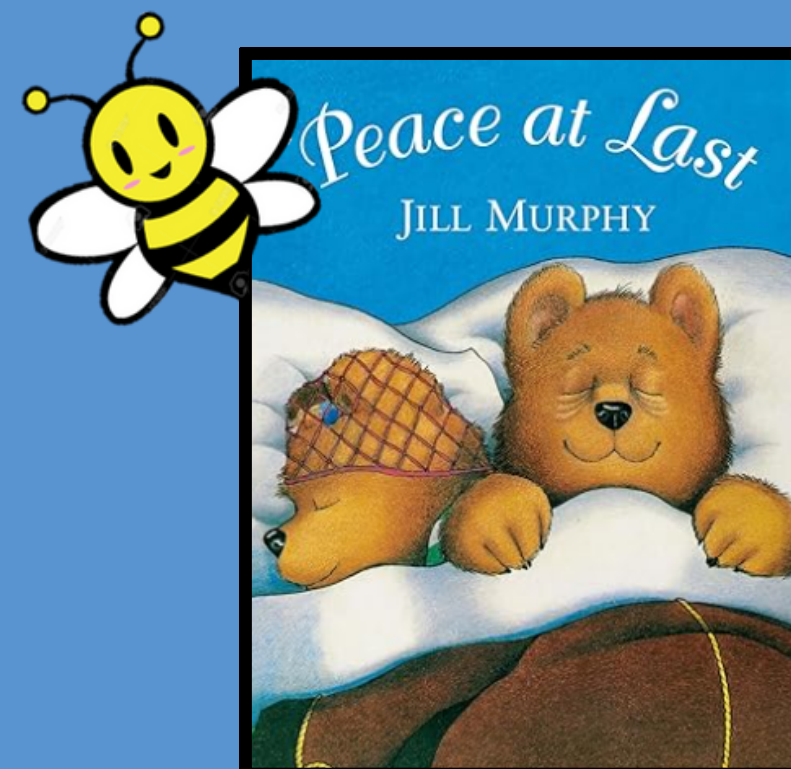

**PSED Focus:** My Family, Doing the right thing, building relationships, keeping safe, following rules.

**Math's Focus:** Size, 1:1 correspondence, developing number language, experiencing positional language.

**CLL Focus:** Developing a love of reading, developing interests and involvement in story telling, experiencing and learning new vocabulary.

### Focus Story 2

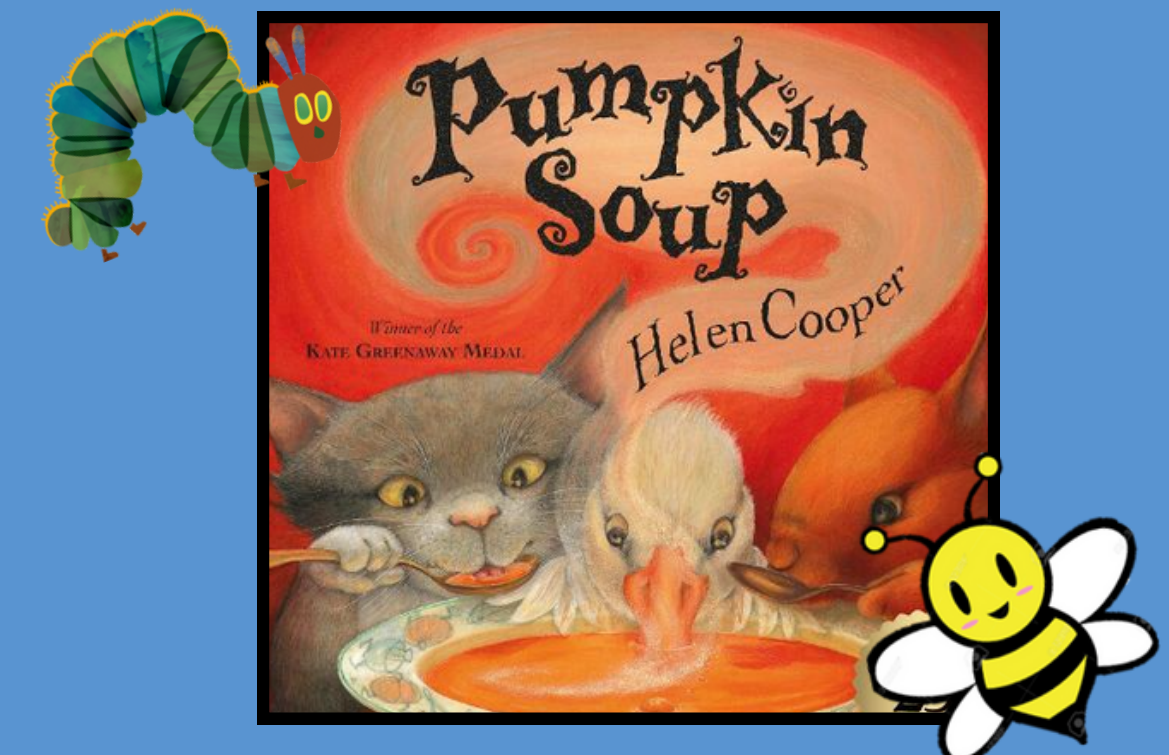

**PSED Focus:** My Family, my home, who's in my family? Family routines.

**Maths Focus:** routines of different parts of the day and night, time, developing number language.

**CLL Focus:** Developing a love of reading, experiencing repeated refrains and rhythmic patterns, developing involvement in story-telling.

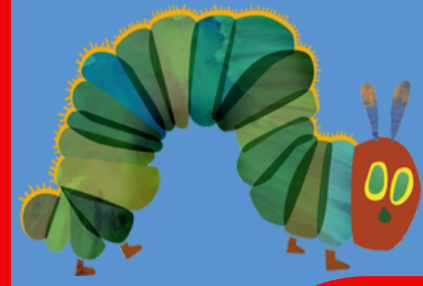

### Focus Story 3

**PSED Focus:** How we feel and how others feel, sharing, taking turns, being kind.

**Math's Focus:** Size, 1:1 correspondence, developing number language, exploring weight, space and measure, experiencing comparative language.

**CLL Focus:** Developing a love of reading, developing interests, story telling, experiencing and learning new vocabulary.

## Autumn 2

During the Autumn 2 term, we will be exploring a variety of exciting mini topics with the children, many of which will be centered around significant events and celebrations. These include Remembrance Day, where we will discuss the importance of remembering those who served in the armed forces, Diwali, the Hindu festival of lights, celebrating new beginnings and the victory of light over darkness, and Bonfire Night, where we'll learn about the historical event of Guy Fawkes and enjoy discussions around fireworks safety. These activities will help broaden the children's understanding of different cultures, traditions, and historical events in a fun and engaging way.

**Other stories to be used during Autumn 2, may include:**
